

Somerville High School

Project Graduation 2013

222 Davenport Street, Somerville, NJ 08876

Commencement Flower Order Form

The PTO, in conjunction with Scott's Florist of Raritan will be selling four different choices of flower bouquets for Graduation on Friday, June 21st. Scott's Florist is generously donating 20% of all sales to Project Graduation.

We will be accepting Pre-orders that can be picked up prior to Graduation at a table that will be set up near the entrance to the ceremony. Please use the form below to place your order and mail or drop off in the Main Office by June 12th.

We will also have extra bouquets for sale that day on a cash and carry basis but the prices will be \$5 higher and the quantities and supplies will be limited. It is best to place your order in advance. Thank you for your continued support of the PTO and our fundraising efforts.
