

Take a Practice SAT with The Princeton Review!

Brought to you by the Somerville HS PTO

Warm up for the SAT and find out how **YOU** would score if you took the test today. Get realistic practice and try your hand at the types of questions you'll face on the actual exam. You'll receive a personalized score report pinpointing your strengths and weaknesses.

Please note: The SAT is changing. The first administration of the new test will be in March 2016. This practice test is being offered to juniors and any other student who will be taking the SAT in the current format. If you are a sophomore and are not planning to take the real SAT until spring 2016, there is no need for you to take this practice test.
